SPECIAL FILMING CONDITIONS
THE OAKS AREA (LOS FELIZ)

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Oaks area of Los Feliz is located north of Los Feliz Boulevard and west of Griffith Park/Ferndell Drive. The area is characterized by very narrow, steep, winding streets and there are few streets or sections that can safely accommodate equipment or cast/crew parking. It is an area that presents special filming problems. The following Special Filming Conditions have been established to address the public safety concerns raised by motion picture production activities:

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Production companies must also contact Remy Kessler (323) 466-0931(The Oaks Homeowners Association) and Susan Swan (323) 463-2463 (Hollywood United Neighborhood Council)** at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.
- **Cast and crew are not permitted to park on area streets.** Off-street parking must be provided.

NOT A FilmL.A., Inc. PERMIT

SPECIAL FILMING CONDITIONS
WESTWOOD VILLAGE BUSINESS DISTRICT

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The following Special Filming Conditions for location filming in the Westwood Village Business District have been established so that both local businesses and production companies filming in the area can operate successfully and function in a cooperative manner. These Special Conditions apply to the area in Westwood approximately bordered by Gayley Avenue, Le Conte Avenue, Hilgard Avenue and Wilshire Boulevard during regular business hours. Regular business hours are defined as 10:00 a.m. to 9:00 p.m.

- **Affected residents/merchants/businesses within 500 feet of any filming activity, including equipment parking, must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*

- **Cast/crew parking is not permitted on area streets or in the public parking structure on Broxton Avenue.** Off-street, alternate parking must be provided.

- **Catering and feeding of cast/crew members shall be done on private property and may not impact area businesses.**

- **Posting of "No Parking" signs (for parking equipment vehicles or for picture) should be kept to a minimum in order to reduce any negative impact on the local business community.** Companies may post or park in front of businesses that indicate approval upon FilmL.A.'s survey form, or businesses that are clearly vacant or closed during the hours of activity. Broxton Avenue has very little metered parking. Surveys may be required from both sides of street depending on the impact to the businesses (requests will be evaluated on a case by case basis).

- **Unless approved by FilmL.A., filming activities that involve exteriors, the use of sidewalks, streets or parking facilities shall be prohibited on the following holidays and the day prior: *Valentine's Day, Mother's Day, Father's Day, Easter and Thanksgiving.*** FilmL.A. approval will be based on a Filming Survey of affected businesses demonstrating substantial support for the filming activities.

- **Filming activities that involve exteriors, the use of sidewalks, streets, or parking facilities will not be permitted for the two weeks preceding Christmas Day**.

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

SPECIAL FILMING CONDITIONS
PACIFIC PALISADES, PALISADES HIGHLANDS AND CASTELLAMMARE AREAS

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The following Special Filming Conditions have been established to mitigate the concerns of local residents. These Conditions are a result of meetings with the Pacific Palisades Town Council, City Council Office representatives and area residents.

- **FilmL.A. will evaluate all requests for permits in this area using the following criteria:** Frequency of filming per block near the requested location and parking areas – Duration and frequency of recent filming – Proximity of concurrent filming activities – Historical use – Recent problems or complaints – Number of filming days requested – Company size – Proposed activities (effects, excessive noise, cranes, etc.) – any other criteria that may be relevant to the specific situation. ***NO PERMITS FOR THIS AREA SHOULD BE ASSUMED TO BE AVAILABLE WITHOUT THE ABOVE REVIEW.***

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **Craft services, catering trucks, food preparation tables and dining tables are prohibited on sidewalks or parkways and must be out of public view.**

- **Trash and refuse must be removed from the area immediately after filming activities are completed.**

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless affected residents (generally those within 300' of the filming activities or equipment parking) are surveyed to identify neighborhood concerns and approval is obtained from FilmL.A.. The approved times must be indicated on the permit.

- **No weekend or holiday filming unless approved by FilmL.A.**

- **Parking of production equipment is limited to one side of the street.** Film company vehicles shall not interfere with gardener's activities, trash pick up, safe use of streets or access to resident driveways, unless approved by the affected residents. ***In some instances, it may be necessary for companies to post both sides of the street to maintain proper access for emergency vehicles and area residents.***

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

- **Lighting is to be confined to the specific site and shall not adversely impact neighbors and/or traffic.**
